Directory of Apprenticeships

Popular apprenticeships available across Primary and Social Care

Use this Directory during your appraisal cycle when discussing development opportunities. An appraisal is a formal opportunity to analyse your performance and talk about future career plans.

As a Nottingham and Nottinghamshire Primary or Social Care worker, you are eligible to have your apprenticeship fully funded if your organisation doesn't have access to their own apprenticeship levy.

Eligibility criteria

You need to:

- Be a resident in the UK for 3 years
- Have qualifications in both English and Maths (GCSE or equivalent) for some apprenticeships (check the criteria)
- Meet specific entry criteria set by training providers

The apprenticeships listed in this Directory are the most frequently undertaken apprenticeships in health and social care. This is to give you a flavour of different opportunities available to you. We recommend you also research all your options via the Institute of Apprenticeships, or chat with us about your goals.
