Practice Manager support

Hi, I'm Paul! In addition to TeamNet, I'm here to support you with My Locum Manager so that you can get the most out of the system. You are welcome to reach out to me with any queries you might have. You can also book one to one calls or join a webinar, to learn more about the system and how it can help you find and book locums when you need them.

More information

My Locum Manager is a digital locum bank and NHS England approved flexible pools provider that connects GP practices with qualified and experienced locum GPs. Over three million patients are seen annually by the MLM GP community. The platform simplifies the locum booking process, enabling practices to quickly and easily find locums to fill staffing gaps, reducing the reliance on expensive agencies.

The initiative in Nottinghamshire is funded by Nottingham and Nottinghamshire ICS through NHS England funding, enabling the rollout of the platform to all practices across the ICS.

Clinicians who book work through the system are also eligible for a 12 month free MLM membership for providing locum cover practices in the ICS.

Benefits of My Locum Manager for clinicians include:

- an easy way to book shifts
- tools to automate their self-employed admin
- no fees for arranging work
- 5 star support
- educational content, including monthly webinars on topics of interest
