- ✓ CKS Updates
- ✓ Discounts
- ✓ 5-star rated support

Shift Booking

Record and track any booking, from a locum shift to portfolio work. Receive local invites and support capacity, whilst building relationships with local practices.

Book only the shifts you want to do!

Automated admin

Add your sessions and we do the rest! We provide easy invoicing, auto populated pension forms, automatic mileage calculations, comprehensive expense and tax suite, which makes managing money and pension payments a breeze.

Integrated GP Support

We support you with CPD, teaching and access to specialist services from medical accountants to financial advisers. Looking to make a move to more flexible working? Benefit from our one-to-one support, you are not alone!

GP Community

Work flexibly and still feel connected to your workplaces and colleagues. With MLM, conveniently connect with all your local practices to build regular work and establish a community.

Nottingham and Nottinghamshire
Integrated Care Board

In partnership with NHS Nottingham and Nottinghamshire ICB

“Fantastic for locum work, MLM helps me book my own jobs, manage invoice and pension forms and the tax suite is a huge bonus to take care of my self employed work and expenses. I appreciate the informative webinars. A flexible platform ...
