Thinking of hosting a student but don't know where to start?

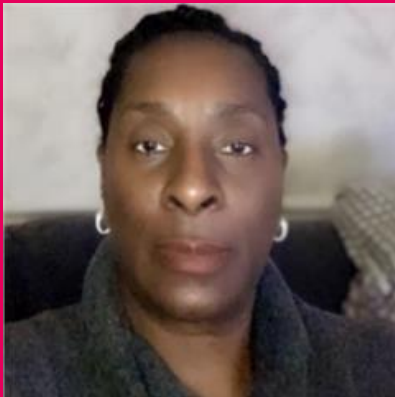

April 2023

Nottingham Trent
University

Meet the team

Elaine

Amy

Jan

Kate

What courses do we cover

- Adult Nursing – MSc, BSc, App
- Mental Health Nursing – MSc, BSc, App
- Trainee Nursing Associates
- Learning Disability Nursing – BSc, App
- Paramedicine – BSc, App
- MA Public Health

What students have completed prior to placement

Prior to attending placement students will have completed the below:

- Enhanced DBS check
- Occupational Health Check
- BLS
- Moving and Handling
- Online mandatory training

Why would I host a placement?

- Future work force
- Access to those with up to date learning/techniques
- Showcase alternative workplaces to the large trusts
- Tariff payment

How does it work?

Placement blocks – dates can be shared a year in advance

Allocated by placement teams – 6 weeks notice where possible

Academic Assessors and placement team can support

Audits

- **For NMC and HCPC programmes, we need to have the placement area audited as a learning environment.**
- **To offer a placement we'd come and do an audit to check we can match your area to the programme needs.**
- **We'd set this up with you and ensure you were free at that time.**
- **Its an audit for any healthcare programme and can be used by other universities.**
- **If there are quality issues identified for the learners, we can work with you to improve as required after the audit**

SSSA

For NMC programmes:

- **The mentorship model stopped being used in 2019.**
- **We now need students on each placement to have practice supervisor(s) and a practice assessor.**
- **NATH have a website with the training slides on for these roles and if you have been a mentor in the past it's a similar role split between the supervisor who teaches and the assessor who...assesses!**
- **Staff at NTU then support you and the student in the role of academic assessor during all placements**

Tariff

Payable for MSc and BSc students

£122 per week

Claims are 3 times a year:

Collection	Finalised – payment released
June	September
October	January
February	March
